

Postal Leagues: Are They Useful to YOU

Postal leagues are events conducted by firing under specified conditions at home and returning scores or targets to a central location for scoring, tabulation, and publication of results. Currently Texas 4-H offers twelve postal leagues, listed below. The purpose of this query is to determine the usefulness of these leagues to clubs, leaders and kids in the program and to collect suggestions on how to make them more useful if they are considered worthy of continuation. For each one that interests you or your club members, please answer the queries about it. Ignore those outside your sphere of interest. Suggest any additional ones that you and your club members would like to see.

The queries below will be listed by the code word on the right of the question. Please respond to each one that impacts you and your club members.
